

You know that secret I told you last week? I've got another one. ^_^

Check out Animated Hebrew! They have, um, animated Hebrew! And lots of other useful learning resources too. [Here's the link.](#)

Meet Jerry, a member of the Holy Language tribe who survived a headon collision going 60 miles an hour and went on to learn biblical Hebrew! Here's his story.

On January 10, 2007 I was traveling to a job interview. Going over a bridge at 60 mph I saw another vehicle coming into my lane. With nowhere to go I braced for the impact, he hit me head on. Crushed my foot, broke my leg and hip, I had a hole in my stomach, lacerated liver, and cracked back. After they used the jaws of life to cut me out they started preparing me for a helicopter ride. At this point I prayed (cried out to God please take this pain away) in the blink of an eye I heard a voice say "come I have place prepared for you" and I was floating in the clouds. Words cannot describe the love and peace I felt.

When I awoke 10 days later I had a feeling deep inside to get back to the beginning of God's word. At the time I didn't understand what this meant. After being released from the hospital I came across some Hebrew; when I heard it I knew this is what I was looking for. I found a web site called eteacher and learned how to read and write biblical Hebrew. Not too long ago I found Holy Language Institute and really enjoyed the way Izzy teaches the language, the way he systematically breaks down every word prefix suffix to the root of the word. It has really helped in my reading Hebrew.

I never thought I would be learning Hebrew in my 40s....

You have a story too! It's worth telling, and the tribe would love to hear it! Would you share it? Pretty please? :) [Here's how.](#)

We're reading Genesis 41 for Hebrew Chapters this week! Some of the things I explain include how getting fat is a picture of creation, marshland is a picture of sibling relationships, the end of days and awakening from a dream are related, and how the old covenant and sleep may be connected. Watch and share the trailer [here](#), and join me for the whole study [here](#)!
